

# You Are The One

Gonzaga, Toni

Another day passes by, I'm dreamin' of you,  
And though I know it might be just a dream, dreams come true,  
Somewhere, somehow I'll find you even though it takes all of  
My life (all of my life)

And when I finally do (and when I finally do)  
I know inside my heart (I know inside my heart)  
That there could be no doubt, I knew it from the start

(you are the one) you are the one  
That I've been searching for my whole life through,  
(you are the one) you are the one that I've been looking for  
And now that I have found you,  
I'll never let you go, I'll hold you in my arms  
You are the one

Another night spent alone  
I'm lying in the dark (lying in the dark)  
I don't know your name  
But I know your voice sings to my heart (voice sings to my heart)  
A sweet melody, a symphony of love

I know that come one day (I know that come one day)  
I time for you and me (a time for you and me)  
To finally be together, cause I know we're meant to be

(you are the one) you are the one  
That I've been searching for my whole life through,  
(you are the one) you are the one that I've been looking for  
And now that I have found you,  
I'll never let you go, I'll hold you in my arms

Forever's a meaningless word  
Even though you're here with me  
Here by my side, here in my heart

I'll never let you go I'll hold you in my arms

(you are the one) you are the one that I've been searching for  
my whole life through  
(you are the one) you are the one that I've been looking for and  
now that I have found you  
I'll never let you go, I'll hold you in my arms  
[repeat]

Cause you are the one, you are the one
