

## Eyes Of Sand

Tonic

I reminded someone thought they knew me  
That I hadn't changed at all  
Wrapped up in a picture perfect package  
That just stands up way too tall

Because they see my world  
Oh, through the eyes of sand

Surely, they're all good intentions  
Smiles that will fail to mention me  
So all along their interventions  
Someone let you fall down on your knees

Because they see your world  
Through the eyes of sand

We fall down  
Far underground  
To see the world  
Through eyes of sand

You walking desert  
Baby, you're a heart of stone  
You're walking desert  
Baby, you're a heart of stone

Oh, you don't know my world  
You you don't know my world  
You don't my world, aah

Walking desert  
You're a walking desert  
You're a walking desert
