Eyes Of Sand

I reminded someone thought they knew me That I hadn't changed at all Wrapped up in a picture perfect package That just stands up way too tall

Because they see my world Oh, through the eyes of sand

Surely, they're all good intentions Smiles that will fail to mention me So all along their interventions Someone let you fall down on your knees

Because they see your world Through the eyes of sand

We fall down Far underground To see the world Through eyes of sand

You walking desert Baby, you're a heart of stone You're walking desert Baby, you're a heart of stone

Oh, you don't know my world You you don't know my world You don't my world, aah

Walking desert You're a walking desert You're a walking desert Tonic
