Lemon Parade

I wish I'd seen you as a little girl Without your armor to fend off the world I would have kept you underneath my wing I would protect you from everything Make way for the lemon parade Make way for my girl Make way for the lemon parade Make way for my girl Did the boys all tease you when they had the chance Always left standing when it came time to dance Did you hide behind your books girl Did you find your secret friends Always I'll want you Always 'till the end Make way for the lemon parade Make way for my girl Make way for the lemon parade Make way for my girl
