

# Release Me

Tonic

Come and release me, sender  
Come and release me, I will go  
It's a part of me to show  
Come and release me, silence  
Come and release me so I'll know  
When it's time to let it go

I want to know  
Where the deeper parts of life will grow  
I want to see  
Where's the deeper part of love in me  
Where's that part of love in me?

Come and release me, anger  
Come and release me so I'll see  
All the things that I don't need  
Come and release me, sadness  
Come and release me let me go  
It's a thing that I can't show

I want to know  
Where the deeper parts of love will grow  
I want to see  
Where's the deeper part of love in me  
Where's the part of love in me?  
Where's the part that died in me?

Come and release me  
Come and release me

I want to know  
Where the deeper parts of life will grow  
I want to see  
Where's the deeper part of love in me

Where's the part of love in me?  
Where's the part of love in me?
