

# Breakdown

## Tonight Alive

Come on, come on pick me up  
Go on, go on let me down  
You couldn't tell me if I asked you  
'do you still want me around?'  
Come on, come on play your games  
Go on, go on say my name  
You won't, you won't stay the same  
And don't you know it's just not like me to wait?

Coz you give me your reasons  
But I've heard them all before  
This is it, and i'll admit that

I breakdown, I breakdown when I can't see you  
I breakdown, I breakdown when you don't call  
And I've told myself a thousand times  
That if you left I'd be alright and  
I breakdown, I breakdown if I can't see you tonight

Come on, come on keep me here  
Go on, go on watch my tears  
Go on, go on say goodbye coz I know, I know it won't be the last time  
Go on and I'll watch you go  
Go on, go on I just hope you know  
It's a slim to none chance that I'll be here when you get home

Coz you give me your reasons  
But I've heard them all before  
This is it, and i'll admit that

I breakdown, I breakdown when I can't see you  
I breakdown, I breakdown when you don't call  
And I've told myself a thousand times  
That if you left I'd be alright and  
I breakdown, I breakdown if I can't see you tonight

I really don't wanna talk it out  
There's nothing left here to fight about or cry about  
So don't misunderstand me, I'm giving up  
I really don't wanna see your face,  
When you look at me that way like it's a game  
I'm really not ok but I won't

Breakdown and breakdown if I can't see you  
No I won't breakdown and breakdown if you don't call  
I breakdown, I breakdown if I can't see you  
I breakdown, I breakdown if you don't call  
And I've done this all a thousand times  
So now I know I'll be alright and  
I breakdown, I breakdown but I won't  
I can't stop myself now but I won't  
Breakdown and breakdown if I can't see you tonight
