## All the Things You Are

## **Tony Bennett**

Time and again I longed for adventure
Something to make my heart beat the faster
What did I long for? I never really knew
Finding your love I found my adventure
Touching your hand, my heart beats the faster
All that I want in all of this world is you

The promised kiss of springtime
That makes the lonely winter seem long
You are the breathless hush of evening
That lingers on the brink of a lovely song

You are the angel glow that lights a star The dearest things I know are what you are Some day my happy arms will hold you And some day I'll know that moment divine When all the things you are, are mine!

You are the angel glow that lights a star The dearest things I know are what you are Some day my happy arms will hold you And some day I'll know that moment divine When all the things you are, are mine!
