

As Time Goes By

Tony Bennett

This day and age we're living in
Gives cause for apprehension
With speed and new invention
And things like third dimension
Yet we get a trifle weary
With Mr Einstein's theory
So we must get down to earth
At times relax, relieve the tension
No matter what the progress
Or what may yet be proved
The simple facts of life are such
They cannot be removed

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply as time goes by

And when two lovers woo
They still say I love you
On that you can rely
No matter what the future brings, as time goes by

Moonlight and love songs never out of date
Hearts full of passion, jealousy, and hate
Woman needs man, and man must have his mate
That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers as time goes by

The world will always welcome lovers as time goes by
