This day and age we're living in Gives cause for apprehension With speed and new invention And things like third dimension Yet we get a trifle weary With Mr Einstein's theory So we must get down to earth At times relax, relieve the tension No matter what the progress Or what may yet be proved The simple facts of life are such They cannot be removed

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply as time goes by

And when two lovers woo
They still say I love you
On that you can rely
No matter what the future brings, as time goes by

Moonlight and love songs never out of date Hearts full of passion, jealousy, and hate Woman needs man, and man must have his mate That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers as time goes by

The world will always welcome lovers as time goes by
