

# Candy Kisses

**Tony Bennett**

Candy kisses wrapped in paper mean more to you than any  
of mine  
Candy kisses wrapped in paper you'd rather have them any  
old time

You don't mean it when you whisper those sweet love words  
in my ear  
Candy kisses wrapped in paper mean more to you than mine  
do dear

I built a castle  
Out of dreams, dear  
I thought that you  
Were building one too

Now my castles  
All have fallen  
And I am left  
Alone and blue

Once my heart was filled with gladness now there's  
sadness only tears  
Candy kisses wrapped in paper mean more to you than mine  
do dear
