Day Dream

Tony Bennett

Funny the way that I feel now Can't keep my feet on the ground Everything seems unreal now When you're not around Day dream Why do you haunt me so? Deep in a rosy glow The face of my love you show Day dream I walk along on air Building a castle there Me and my love to share Don't know the time Lordy, I'm in a daze Sun in the sky While I moon around, feeling hazy Day dream Don't break my reverie Until I find that she Is daydreaming just like me Day dream Don't break my reverie Until I find that she Is daydreaming just like me
