## Easy Come, Easy Go

## **Tony Bennett**

Easy Come, easy go
That's the way
If love must have it's day
Then easy come
Let it go

No remorse
No regret
We should part
Exactly as we met
Just easy come
Easy go

We never dreamt of romantic dangers But now that it ends Let's be friends And not two strangers

Easy come, easy go Here we are So darling au revoir It's easy come easy go
