

## Georgia Rose

Tony Bennett

Georgia Rose  
Georgia Rose  
You're the most  
Precious rose Dixie grows

Now some folks don't think it's right  
Cause your skin's dark as night  
You know you've a heart lily white

To the good Lord up above  
We all look just the same  
Don't hang your head down in shame

Georgia Rose  
Georgia Rose  
Don't be blue cause you're black  
Georgia Rose
