

## Hi-Ho

Tony Bennett

Hi-ho, hi-ho  
At last it seems I've found her  
Now I won't be happy 'til my arms are around her

Hi-ho, ho-hi  
If a kiss she'd only throw me  
Oh me, oh my

Her charm, her smile so sweet and dimply  
I want them or I'd simply die

Hi-ho, hi-ho  
Oh, there's no one like her here on Earth below  
Perhaps I'm reaching too high  
Hi-ho, hi-ho

Please pardon me sir  
But I'm in love with her  
And if you knew her sir  
Then so would you  
Be in love with her too

I beg of you ma'am  
Look at that honey lamb  
Now that you've seen her ma'am  
Don't you agree  
No one's lovely as she?

She's lovely  
No one lovelier  
No one lovelier  
No one's lovely as she

She's lovely  
No one lovelier  
No one lovelier than she

Hi-ho, hi-ho  
For me there's none can top her  
Even if you offer Venus  
I wouldn't swap her

Hi-ho, ho-hi  
Will I ever be her Romeo?  
Me, oh my

Her eyes, they thrill and then they mock you  
My heart they'll always occupy  
Hi-ho, hi-ho  
Oh, there's no one like her here on Earth below  
Perhaps I'm reaching too high  
Hi-ho, hi-ho

I've got it  
Mm, she's got me  
Haven't me her yet  
But I hope to

Hi-ho
