

# I Cover the Waterfront

Tony Bennett

Away from the city that hurts and mocks  
I'm standing alone by the desolate docks.  
In the still and the chill of the night.  
I see the horizon, the great unknown.  
My heart has an ache its as heavy as stone.  
Will the dawn coming on make it light?

I cover the waterfront;  
I'm watching the sea.  
Will the one I love be coming back to me?

I cover the waterfront;  
In search of my love,  
and I'm covered by a starless sky above

Here am I patiently waiting, hoping and longing  
Oh, how I yearn!  
Where are you?  
Are you forgetting?  
Do you remember?  
Will you return?

I cover the waterfront  
I'm watching the sea  
For the one I love must soon come back to me.  
All alone  
Please come back to me
