

# Keep the Faith, Baby

Tony Bennett

Keep the faith, Baby  
That's what the man said  
Keep the faith Baby

I ain't down  
Ain't down  
I ain't down  
Not yet, you bet'cha  
Keep the faith, Baby  
Don't forget

I'm still laughin' (Good)  
I'm still laughin'  
I'm still laughin away, it's okay  
I'm still laughin'  
I'm still laughin'  
I mean to stay that way  
So keep the faith  
Keep the faith, Baby  
That's what I say

I'll go on  
I'll go on  
I'll go on and do my best

I'll go on  
I'll go on  
I'll go on and never rest

Keep the faith  
Keep the faith  
Keep the faith, Baby  
Oh yes

I'll go on  
I'll go on  
I'll go on  
Go on  
I'll go on  
And do my best

I'll go on  
I'll go on  
I'll go on and never rest

Keep the faith  
Keep the faith (LANG: I will)  
Keep the faith, Baby  
Oh yeah

Yes, yes, oh yes  
Keep the faith  
Keep the faith, Tony  
Keep the faith  
Oh yes

Good K-D

That's what the man said
