

Let's Begin

Tony Bennett

Let's begin
Let's begin
Let's begin

Now that you got me going whatcha gonna do?
Is it up to me, is it up to you?
What kind of game is this that we've begun?
Was it done just for fun?
We have necked til I'm wrecked
Won't you tell me what you expect?
Is this to be a case of kiss and never tell,
Folly and farewell,
Heaven or maybe Hell?
Which is it going to be; love or gin, life or sin?
Let's begin

And make a mess of both of our bright, young lives.
