

Old Devil Moon

Tony Bennett

I looked at you and suddenly
Something in your eyes I see
Soon begins witching me
It's that old devil moon
That you stole from the sky
It's that old devil moon deep in your eyes

You and your glance makes this romance too hot to
handle
Stars in the night blazin' their light can't hold a
candle
To your razzle dazzle

You've got me flyin' high and wide
On a magic carpet ride
Full of butterflies inside
I want to cry
Want to croon
Want to laugh like a loon
It's that old devil moon deep in your eyes

Just when I think I'm free as a dove
Old evil moon deep in your eyes
Blinds me with love

You and your glance makes this romance too hot to
handle
Stars in the night blazin' their light can't hold a
candle
To your razzle dazzle

You've got me flyin' high and wide
On a magic carpet ride
Full of butterflies inside
I want to cry
Want to croon
Want to laugh like a loon
It's that old devil moon deep in your eyes

Just when I think I'm free as a dove
Old evil moon deep in your eyes
Blinds me with love
