

Out of This World

Tony Bennett

You're clear out of this world
When I am looking at you
I hear out of this world
The music that no mortal ever knew

You're right out of a book
The fairy tale I read when I was so high
No amoured knight out of a book
Was more enchanted by a laurel life

And I after waiting so long for the right time
After reaching so long for a star
All at once from the long and lonely nighttime
And despite time, here you are

I'd cry out of this world
If you said we were through
So let me fly out of this world
And spend the next eternity or two with you

After waiting so long for the right time
After reaching so long for a star
And at once from the long and lonely nighttime
And despite time, here you are

I'd cry out of this world
If you said we were through
So let me fly out of this world
And spend the next eternity or two with you

You're clear, out of this world
Out of this world, out of this world
