Out of This World

Tony Bennett

You're clear out of this world When I am looking at you I hear out of this world The music that no mortal ever knew

You're right out of a book The fairy tale I read when I was so high No amoured knight out of a book Was more enchanted by a laurel life

And I after waiting so long for the right time After reaching so long for a star All at once from the long and lonely nighttime And despite time, here you are

I'd cry out of this world If you said we were through So let me fly out of this world And spend the next eternity or two with you

After waiting so long for the right time After reaching so long for a star And at once from the long and lonely nighttime And despite time, here you are

I'd cry out of this world If you said we were through So let me fly out of this world And spend the next eternity or two with you

You're clear, out of this world Out of this world, out of this world
