We have nothing to remember so far So far, So far, So far We haven't walked by night And shared the light of a star

So far Your heart has ever fluttered So near, so near That my own heart alone could hear it

We haven't gone beyond the very beginning We've just begun to know how lucky we are So we have nothing to remember So far, So far But now I'm face to face with you And now at last we've met And now we can look forward to the things We'll never forget

So far, So far
We haven't walked by night
And shared the light of a star
That my own heart alone could hear it
We haven't gone beyond the very beginning
We have just begun to know how lucky we are
So we have nothing to remember so far
So far
But now I'm face to face with you
And now at last we've met
And now we can look forward to the things
We'll never forget
