

## Stella by Starlight

Tony Bennett

The song a robin sings  
Through years of endless springs  
The murmur of a brook at eventide  
That ripples by a nook where two lovers hide

Great symphonic theme  
That's Stella by starlight  
And not a dream  
My heart and I agree  
She's everything on earth to me

My heart and I agree  
She's everything on earth to me  
She's everything on earth to me
