

## The Way That I Feel

Tony Bennett

This is the way that I do feel  
I feel it everywhere I go  
I feel just like an engine  
That lost its drivin' wheel

I am feelin' down as a man can feel  
Since she said that  
She don't want me hangin' around  
Feel like a tin can just rustin'  
Way out on the dumpin' ground

It sure is hard to stumble down  
When you ain't got no place to fall  
Seems like in this whole earth  
I ain't got no place at all

I am feelin' like a stranger here  
I feel like a stranger everywhere  
I feel like I'd like to go back home  
But I'm stranger there

I've tried and tried to go my way  
And leave the worried past behind  
But every time that sun goes down  
That women stays on my mind
