

There's a Lull in My Life

Tony Bennett

Oh, there's a lull in my life
Its just a void, an empty space
When you are not in my embrace

Oh, there's a lull in my life
The moment that you go away
There is no night, there is no day

The clock stops ticking
The world stops turning
Everything stops but that flame in my heart
That keeps burning, burning oh, oh

Oh, there's a lull in my life
No matter how I may pretend
I know that you alone can end

The ache in my heart
The call of my arms
The lull in my life
