

# Wrap Your Troubles in Dreams (and Dream Your Troubles Away)

Tony Bennett

What price happiness? What price happiness?  
Who can truthfully say?  
But for every shall with tears we pay

Love is happiness. I've had happiness,  
But it ended one day  
Now I look at life a different way

When skies are cloudy and gray  
They're only gray for a day  
So wrap your troubles in dreams  
And dream your troubles away

Until that sunshine peeps through  
There's only one thing to do  
Wrap your troubles in dreams  
And dream your troubles away

Your castles may tumble, that's fate, after all  
Life's really funny that way  
No use to grumble, smile as they fall  
Weren't you king for a day?

Remember that sunshine  
Always follows the rain  
So wrap your troubles in dreams  
And dream your troubles away  
Away, away, away  
Away, away, away  
Away
