

# Yesterday I Heard the Rain

**Tony Bennett**

Yesterday I heard the rain  
Whispering your name  
Asking where you'd gone

It fell softly from the clouds  
On the silent crowds  
As I wandered on

Out of doorways black umbrellas  
Came to pursue me  
Faceless people as they passed  
Were looking through me  
No one knew me

Yesterday I shut my eyes  
Face up to the skies  
Drinking in the rain

But your image still was there  
Floating in the air  
Brighter than a flame

Yesterday I saw a city  
Full of shadows without pity  
And I heard the steady rain  
Whispering your name  
Whispering your name
