

# The First Day Of Summer

Tony Carey

Well The Kid and me were the team to beat  
We could stand up to the big boys,  
generate some heat  
and we never thought nothin' about  
livin on the streat back then.

Yes sir, we lied a little,  
and we maybe stole some  
sayin "Southern CA here we come"  
and we took off down the highway sayin'  
never goin' back again

It was on the first day of summer  
we were the number one outfront runner  
On the first day of summer  
nothin feels the same  
and it feels so good  
It was on the first day of summer  
It was on the first day of summer  
On the first day of summer  
the whole world knows your name  
and it feels so good

Now the kid was drivin and I rode shotgun  
we were splittin up the money  
from our number ones

Beatin' time to the radio  
Yes I'm gonna be someone

Campin' by the road out in Santa Fe  
The kid stole the keys and he drove away  
I wound up washin' dishes at a a Holiday Inn  
sometime I wonder what became of him
