

Don't You Tell Me

Tony Iommi

Too many promises
Too many reasons I recall
Too many people
I see the writing on the wall
I must have got you wrong
What kind of world do you live in?

I've waited far too long
I know where you've been

Don't you tell me you don't know
Don't you tell me
Don't you tell me you don't know
You don't know

Am I a sacrifice
Am I a fool too blind to see
I'm not a vagabond
I know what is, is meant to be
There is a better way
There comes a time I do believe
There is a price to pay
And I know where you've been

Don't you tell me you don't know
Don't you tell me
Don't you tell me you don't know
Don't you tell me
Don't you tell me you don't know
Don't you tell me
Don't you tell me you don't know

Standing in a waterfall
Try to ease your shame
Deep inside this tragedy
I try to kill my pain
Don't you tell me

Standing in a waterfall
Try to ease your shame
Deep inside this tragedy
I try to kill my pain
Don't you tell me

Don't you tell me you don't know
Don't you tell me
Don't you tell me you don't know

Don't you tell me you don't know
Don't you tell me
Don't you tell me you don't know
