

Did Somebody Make A Fool Out Of You

Tony Joe White

Did somebody make a fool out of you?
Did somebody mistreated you?
Well, I know that you're holdin' back
You got a lot of more love than that
Did somebody make a fool out of you?

Did somebody run away with your heart?
Did somebody tear it all apart?
Well, I know you've been treated bad
But you don't have to look so sad
Did somebody make a fool out of you?

I know it's hard to love someone again
When somebody has torn you all apart
Come on and let yourself go
Don't think about it anymore
I know there's still a whole lot of lovin' in your heart

Did somebody make a fool out of you?
Did somebody mistreated you, oh, baby?
