

Main Squeeze

Tony Joe White

Wanna be your main squeeze, baby
Wanna be your only love
Wanna be your main squeeze, baby
Wanna be your only love
When you close your eyes at night
Wanna be the one you're dreaming of

Wanna be your main squeeze, baby
Wanna be close to you
Wanna be your main squeeze, baby
Just wanna be close to you
Wanna be a part of your life
Wanna be involved with you

If there's anything that you want
If there's anything that you're missing
If there's anything that you need
Well baby, you know I'm listening

Wanna be your main squeeze, baby
Wanna be close to you
Just loving you baby
That's all I want to do

I wanna be your main squeeze, baby
Your prize in your cracker jacks
Wanna be your main squeeze, baby
Your prize in your cracker jacks
Give me all of your love
Don't want you holding back
