Never Gonna Let You Go

Tony Lucca

My legs are getting tired of running
Running at the speed of sound
But all I ever wanted was to not have nothing
And try to make it through the crowd
My eyes have been weighing heavy
Everything has changed for me
With all the bright lights in the city at night
It's still too dark to see

And if you take me by the hand with the whole world watching
Never gonna let you go

'Cause only you know
How to save my soul
I hope you know
Never gonna let you go
So, if you take me by the hand with the whole world watching
I just wanna let you know
Oh-oh-oh oh
Never gonna let you go

My head has been spilling over
It's too much for me to take
If I could send myself back home for a minute
Maybe it would be OK
I know it's been a long time coming
It will never be the same
Been waiting on the edge of nothing
Maybe nothing's really changed

And if you take me by the hand with the whole world watching
Never gonna let you go

'Cause only you know
How to save my soul
I hope you know
Never gonna let you go
So, if you take me by the hand with the whole world watching
I just wanna let you know
Oh-oh-oh oh
Never gonna let you go

Oh-oh-oh oh (4x)

So, if you take me by the hand with the whole world watching
I just wanna let you know
That if you take me by the hand with the whole world watching
Never gonna let you go

'Cause only you know
How to save my soul
I hope you know
Never gonna let you go
So, if you take me by the hand with the whole world watching
I just wanna let you know
Oh-oh-oh oh
Never gonna let you go

Oh-oh-oh oh (4x)
