Dead Man Dancing

Tony Martin

Oh I wasted so much time, chasing things that ain't mine,
 I've been watching every single move you do.
 Won't you tell me something straight, tell me, things I believe in,
 Tell me that you know that I'm here, you're looking straight through me.

 I'm getting tired I'm slowly dying, I need you now,
 I'm getting' tired of even trying, you gotta know.
 I wanna love you, I gotta tell you that I'm lonely.
 You're the one I need to love, I'm like a dead man dancing,
 I wanna touch you, please let me hold you cause I'm lonely,
 You're the one I need to love, I'm like a dead man dancing.

 Won't you tell me what you want, is there something I can give you,
 To make you see that I'm here, I'm waiting for you,
 Give a little time, won't you show some kind of sign,
 Cause I'm about to let you go, you feel so cold to me.

 I'm getting tired, I'm slowly dying, I need you now,
 I'm getting' tired of even trying, you gotta know.

 I wanna love you, I gotta tell you that I'm lonely,
 You're the one I need to love, I'm like a dead man dancing.
 I wanna touch you, please let me hold you, cause I'm lonely,
 You're the one I need to love, I'm like a dead man dancing.

 I wanna love you, I gotta tell you that I'm lonely,
 You're the one I need to love, I'm like a dead man dancing.
 I wanna touch you please let me hold you cause I'm lonely,
 You're the one I need to love, I'm like a dead man dancing.
