

# If There Is A Heaven

Tony Martin

If I stand in the rain  
Feeling sorrow and pain  
I know you'd stand here  
With me and soothe it all away  
And when I look in your eyes,  
It's then I realize  
That this world ain't there for long

So tell me did you ever wonder  
If there's someone up above  
There's something you should know

## CHORUS

If there's a heaven,  
I'd wait there for you  
And if there's a hell darlin'  
Well I'd just raise hell for you  
And if there's nothing there at all  
Don't know what I'd do  
Without you, without you

Tell me do you ever wonder  
If there's someone up above  
There's something you should know
