

It Ain't Good Enough

Tony Martin

Feels like I'm losin'
Feels like I'm losin' my mind
Seems like I'm dreamin'
Things I shouldn't dream tonight

All I got here is a photograph
And I just gotta tell ya
That ain't good enough for me
It ain't good enough for me

You got me breathin' fire
Got me runnin' circles
You got me doin' things
I've never done before
Seems I've made mistakes
Now I'm doin' time for something
You call love but I ain't so sure

All I got here is a photograph
And I just gotta tell ya
That ain't good enough for me
It ain't good enough for me

CHORUS

Well I gave it all my lovin',
All my understanding
Cause that's the way
I thought it should be
It was the nearest thing to heaven
Now it's gone forever
It's time that I see myself free
Cause it ain't good enough for me
