

## Stunt Double

Tony Sly

Here is another drink to cover every word you say  
Find excuses, it wasn't you there, sorry my mistake

So here comes the part where the stunt double plays  
You ask somebody else to fallen blame

Building bridges, play with matches, burning yourself down  
Find the exit before they get it, take the easy way out

So here comes the part where your stunt double plays  
You ask someone else to take the fallen blame
