

# 1 Shot

Tony Yayo

I get the drop 1 shot 1 kill  
I get to slippin and ya cap get peeled  
Blaaat, blaaat I get to slippin I ain't playin with em  
Baat, batt I get to slippin I ain't playin with em  
Blaaat, blaat I get to slippin I ain't playin with em

Thou shall not steal, thou shall repent  
So it's kill or be killed in my enviornment  
I'm in a bent, pushed up  
1 hand is on the wheel the other hand is on your bitch butt  
What, 1 shot, 1 kill, 1 nina  
A sheel case dropped a young boy died a dreamer  
He had hoop dreams till he seen that hoop ride  
That ak went blaat and his ass died  
His momma cried, it just don't make sense  
Homocide like we have no evidence  
Another hood nigga died at a hood event  
No suspects the case is irrelavent  
Nowadays all the little niggas make movies  
Jackie chan shit little homie waved the uzi  
Another black nigga dead a statistic  
The mack 10 split em reachin for his biscuit  
A tisk it a task it, now he in a casket  
Caught him at the rec centre broad day that's it

I get the drop 1 shot 1 kill
