Switzerland swishas you know I got my bitches up

Now I got her spread eagle all on my bentley sheets

Money don't grow on trees sour do  
So don't make me call my killers to shower you  
Go ahead and take a jab nigga

Yea hermeez hightops, make your hoes eye pop  
Right out her head, now I'm gettin head  
My dear, you a joke, the lears what I smoke hun  
Rifle snipe a nigga like a deer on the scope yea  
You rap niggaz is irrelavent  
I'm wrapped around 3 tables 10 bottles that's an elephant  
A club body, with a model hottie  
A club touch, just tryna fuck  
Monday call lavender, smoking on lavender  
Tuesday it's purple urkle in the purple challenger  
I just got a new ring like kobe  
But feel like dwight howard walking with the 40  
The mixtape gods, you rappers got the gall  
Since 2.03 praying for our downfall  
I guess the devil wear prada and god wear louie  
Adam and eve may sing girl let's make a movie  
Like cubana lusts, yea hoops I knock that off  
Win for life I'm like a lottery scratch off  
200 e.x nigga drop the hatch off  
200 horse power engine like a track horse

Yea, talking bout that new phantom nigga  
200 e.x, it's like 200 thousand nigga  
Same price as a bentley my nigga  
I guess they drive it in the recession  
I need 50 to get me 1 of those  
Maybe for christmas  
Have 1 of them sit under the christmas tree  
I would be so happy  
But it's a receesion nigga  
My niggaz gon rob these
