

Brazy World

Tony Yayo

Yea I kick shit like cristiano ronaldo
Gooooaaaaaaaaaal
Touch down I move another mother load
Gasolina in a bag il make ya mother fold
Boss player shit we move bricks
Ya fairytale and myths
Me and fif in the dumar buyin alien ships
Titanium grip on the 4-10
I put a shotgun shell in ya man benz
I said he who shall disturb me face death
As I walk through the shadows of the valley of death
Rap niggas, street niggas beefing
Nigga start reaching
I pull out the 4-10 and I start beastin

Real talk it's the real talk of new york
The most underrated but fuck it I made it

I made it ma on top of the world baby
Yea
The under dog is always underrated
The under dog is always underrated
The under dog is always underrated
The under dog is always underrated
