

Fuck The World

Tony Yayo

03 the unit on top of world
Now it's 09 nigga fuck the world
And all the haters tryna say that I'm living in 50's shadow
But I'm in ireland, switzerland, peru on 50's shadow
30 thousand euro's, you ever seen that
My boy tony in london give me bags of that
Hermeez hightops unbuckle the strap
Don't step on my foot boy they cost a stack
How a rap label, switch over to a rock label
Nowdays c.o's on them hot labels
The mazarati ridin low cause the body kit
The doors go up like a mr. miyagi kick
Haters talk alot of shit, money got alot of it
I paid alot of dues my son in louie walking shoes
The game changed since biggie and tupac
Internet gangstas wanna be tupac
I smoke a coheeba blunts
A snake bit me caught fever bumps
I suck the venom out me, I'm in the denim audi
Bumpin that lady gaga and that nigga wale
Nigga know where I be
In a foreign country, foreign chick with a dunky
Bum ass niggaz, know I get money
Talking wreckless on the phone
Boy crime pays but the feds tapped the phone every 10 days
Nigga

Public enemies shit
This for the haters man
Ya told me to give y'all more
Everywhere I go swine flu 1 and 2 y'all like
Ya know, s.o.d y'all like it
Righteous kill y'all like it
Bloody christmas, y'all like it
Ah ha I ain't playin with y'all niggaz man
It's bein 5 years and I'm still coastal
