Mo Money Mo Problems

Tony Yayo

Can't trust my friends, can't trust my enemies Can't trust these hoes, I can't trust this industry Everybody out to get me but It's mo money mo problems It's mo money mo problems It's mo money mo problems It's mo money mo problems

Yea

The Unit ain't been the same But I'm a hold this shit, down the streets screamin my name I got so cool beef with you know who I just bought 30 swammies to supply the crew This weed got me paranoid, you feel it in the air If I get too paranoid, I shoot the engineer Yea, I'm flyin in a Lear from Estonia I got the sniper money I just spent a home on ya When it's time to ride, there's a Hum (mer) full of niggaz When it's time for a show, there's a Bent (ley) full of niggaz Snake ass niggaz is reptiles Till I shoot em up fill em up with projectiles Stay focused, these faggots in European cars Only thing European is the wood on the Rolls Hudred EX with the suicide doors My car give you a hug to strike a pose
