

100 strikes like frank castles
We fillet minjong at white castle
4-10 cause I don't like to wrestle
My bitch a 10 and she'll blast you
I use food stamps in the streets yo
Now I gotta cool ranch like doritos
Spending euros, flashing bankrolls
In the louie store, with a centre fold
Real classy chick, good hygiene
You know what I mean, jay redd jeans
So there's money in the bing, ice crystals in the ring
Boss, I could sneak a pistol in the bing
You a king, I'm achilles, roll up the phillies
I behead a nigga with the semi

I got that white that sammy sosa
X pills call em lady gaga
Dope bags is stamped obama
We gettin money, gettin money, yeaa

Real niggaz coming home wonder what they missing
Drive by the strip the hood dissappearing
First day home shaun broke curfew
A repetitive criminal mind it I'll curse you
But fuck parole mild treatment
He headed outta town and he bout to hit a sweet lick
3 brick of that raw heroine
Him and money gotta bond taking risks ain't a thing
His p.o call him he say report in
