

Racism (Intro)

Tony Yayo

When you've... got a Negro running for president,..
You need a first stringer. He's definitely a second stringer!
He seems like a sheep... or a wolf in sheep's clothing to be ho
nest with you.
And I believe Palin, she's filled with the Holy Spirit...
And I believe she's gonna bring honesty and integrity to the Wh
ite House.
He's related to a, uhh... known... TERRORIST, for one.
He... is... FRIENDS... with a terrorist of this country!
He must support terrorists! You know? If-
if, if it walks like a duck...
And quacks like a duck, it must be a duck. And that to me is Ob
ama!

and everybody's still kinda...
I guess a lot of people have forgotten about 9/11, but...
I don't know! It's just kinda... a little unnerving.
Obama and his wife, I'm concerned that they could be anti-
white. That he might hide that.
I don't like the fact that... he thinks us, white people are tr
ash.
Because we're NOT
That's how you actin', nigga?
