

## Thug Life

Tony Yayo

Baller you dropping just like flies  
Swallow they blood before they swallow they pride  
Ahhhhh, shorty wanna live the thug life  
I said forenz I'm stuck at the lights  
These lil niggaz wylin I'm a call it a night  
Ahhh, shorty wanna live the thug life

Shorty wanna be a thug  
Cold heart, cold gun full of slugs  
Seat 74 gladiator war shit  
6 homies stabbed got the warden out his office  
Gd's, vice lords in chicago  
Gangbanging robe models  
Lil niggaz sustain fire  
Repel enemy attack 4-10 fire  
Water cool barrell on the strap  
It's like dat, where we from  
A nigga hit a lick if he see one  
A nigga keep a gun cause he need one  
Rock with it miss ya friends and ya freedom  
Armed and dangerous, kill you in a heart beat  
Shooting cops like 2pac on these streets  
Dead before 21, statistic  
And homie that did it got 40 cause it's school district

He might not never walk again, or talk again  
So what's up with him, ok let's do it then  
Niggaz gon need hospitals if I spit at you  
Condition is gon be critical  
I'm a criminal down to the molecules  
They talkin bout twitter I will fuck around and follow you  
Big fish, small pond, fuck around swallow you  
Cobble stone the driveway look at the view  
Marble all on the fire place look at the cool  
Graduated to a higher space study my moves  
Smooth in a room full of vultures  
All I'm tryna do is introduce you to my culture  
And can give you my word I move birds like sosa  
Welcome to california the best kush and good coca  
Word to that bite size give me that hold  
And don't flight spies  
Last shootout everybody dies except muahhhh  
Ain't surprised we the niggaz that they dispise, that's why
