What's up ladies? - I'm back baby!
The Boywonder got the club goin' crazy. (yeah!)
I'm two-steppin' in my armor in my 80
But I ain't in the VIP unless they pay me. (uh!) (whooo!)
It's like I practice stuntin' - ma I have ya mattress jumpin' (uh-huh!)
And I know it sounds like I'm frontin'. - But I ain't... {SADA POP! }
Jerk! - Ya body, and work work 'em proudly,
Go and hurt somebody if I don't hit that. (uh!)
If you don't see 'em with me don't ask bout 50, (uh-huh!)
Cause if he was here, he'd be standin' right here. (yeah!)
And if you don't care so much about my fame
Then why you keep starin' at my chain?
The, {Whooo! } the color really doesn't matter to me.
Uhm... I would probably say... the uuh... the bra size...
The uuuh... the ass size.
And as long as she doesn't have a recorder in her pocket...
