

## California Girls

Too \$hort

Man, I need to get me one of those  
Long hair half braids, california girls..

California girls (I cant forget about the)  
Midwest ladies, down south East coast  
All around the world  
Every city I'm gone get me a California girl (I can't forget about the)  
Midwest ladies, down south East coast  
All around the world, every city I'm gone get me..

A California girl  
Take her to the airport, trips around the world  
Love to twirle ya fingure tips around the curles  
Call ya momma up, tell her you found a girl  
Move her outa Cali, take her to ya city  
Big ring, big weddin, she's lookin so pretty  
I know ya'll wanna, girl from California  
It's all in ya eyes you wanna try to put it on her  
Go hit the beach, you'll see em' every where  
If they aint choosin on a playa, we neva care  
We got so many of em', thick ones, skinny ones  
You came to California didn't have any fun  
How that sound, famous words of a lame that couldn't hang  
These ladies from the west got game  
Who got the best, VA, DC, Georgia, New York, Texas, Louisiana, or Florida  
The Midwest got some super notches  
You eva seen Cali's finest, man, who could top us  
A Cali girl you neva seen nutten like her  
Walk into her room smile and make you ride her

California girls (I cant forget about the)  
Midwest ladies, down south East coast  
All around the world  
Every city I'm gone get me a California girl (I can't forget about the)  
Midwest ladies, down south East coast  
All around the world, every city I'm gone get me..

Where you from, the other side of town aint far  
I pick you up later ride around in my car  
With the music loud smile while I check you out  
Thinkin to myself how can I get you now  
To me my number one you kno where I'm commin from  
Keep you shinnin baby like a bunch of summer fun  
I know that look, I seen it, a million times  
Wake up first thing, and you still be fine  
Are you a Cali girl, long hair, pretty eyes  
And them thighs, dont you just love city life  
What chu mixed with, whats yo nationality  
Thats the kinda thing you gotta ask a Cali freak  
Just gimmie time, I know what I'm suposed to say  
Its ok, I know things always go yo way  
You get that dyme peice treatment every where you go  
The Cali flavor all the real playas know  
California girls..  
Can't forget about em'..  
Super top notches..  
You know about those
