

## Can't Stay Away

Too \$hort

Yeah that's right  
We gonna flash back  
To 1983  
I'ma show you niggas how I was spittin' this pimp game  
Before most of you niggas even started rappin'  
1983, Too \$hort  
Word for word  
Like this baby, Invasion of the Flat Booty Bitches

A nigga like me I know what's up  
I want a nasty bitch with a lot of butt  
If I can't find one anywhere  
It turns my dreams to nightmares  
Baby right there ain't got no ass  
But she's okay if she got cash

Bitches, bitches, bitches  
Invasion of the Flat Booty Bitches

I'll tell 'bout a day that I had  
Seen nothin' but bitches with no ass  
I woke up early felling right  
Do the same damn thing every day of my life  
Cause every morning you know I get  
A good blowjob from a real fine bitch  
Strokin', smokin', sir Too Short  
Thinking about the day before  
30 minutes after I rolled out  
I pulled a freak took her to my house  
She was hella young with a lot of butt  
She sucked my dick and then we fucked  
That good tight pussy I couldn't pass  
A light-skinned freak with so much ass  
At 1 P.M. I was fuckin' away  
I want to do the same thing again today  
Today my story made itself  
Every bitch I saw was flat as hell  
I told myself "I must need glasses"  
Where's them bitches with the big round asses  
Me and me homie just want to be tuff  
Bring two bitches then switch'em up  
It was 3:35 the strip was lit  
Every two blocks I saw a different bitch  
Waitng on the bus someone was walking  
Me and my homie just started talking  
I said "Homie she looks good"  
He said "That ass is flat as wood"  
I said "What about baby in the black"  
And he said "Short she's all that"

Bitches, bitches, bitches  
Invasion of the Flat Booty Bitches

Every single day of the week  
For every nigger living there's a freak  
If you got game and a bed  
Why not get fucked and get some head

Cause bitches all over want to get fucked  
I just need one with a lot of butt  
Me and my homie rollin' and smokin'  
Flat booty bitches took over Oakland  
I told my homie "I hate to say  
All the bitches with ass stay home today"  
And he said "Short what now"  
Put the pedal to the metal and hit the beat town  
I thought them bitches out there was fine  
But the invasion was on and it fucked my mind

Bitches, Bitches, Bitches  
Invasion of the Flat Booty Bitches

We hit the beat town like Oakland players  
I knew it bitches was everywhere  
The first one had tities so fat  
But that don't work her ass was flat  
The second bitch was flat too  
Talked about the bitch like a muthafuckin' fool  
I said beyotch  
I know I'm capin'  
Where's your ass baby what happened  
She turned around caped back on me  
Said "Fuck you nigga where's your teeth"  
I dam near fell jummping out the car  
But I slapped that and slapped her hard  
My homie said "Short we gots to cut"  
But I was spankin' that bitch on her big flat butt  
We parked the car and took a walk  
I saw another bitch a I had to talk  
I said "Baby, baby, baby come here  
Yeah you baby with the long long hair"  
Baby came over from across the street  
Standing on the corner talking to me  
I was spittin' the game but I talked too fast  
'Cause I didn't even notice that she had a flat ass  
Sheit!  
And I was ready to go  
We was rollin' back to the O'  
I told that bitch "I changed my mind"  
She looked at me and she said "Why"  
I said I'm Sir Too \$hort the Oakland player  
I'm not one of them niggaz who don't care  
It's no thang to do my duty  
But not with you and your flat booty  
In the Berkley town what did we find  
Freak after freak with no behind  
One long day I never got in  
I'm glad that shit never happend again

Invasion of the Flat Booty Bitches

The invasion (Beyotch) is on

That's that old school  
'83  
Still pimpin' baby  
Short dog  
You know I can't stay away from this game
