

# It's About That Money

Too \$hort

Yo Short man  
I was with this chick last night  
She was like, hey Diddy, ummm Diddy  
Why you so motherfuckin' fly  
I had to tell her bitch I'm just about that paper beotch

It's about that paper  
(Make it hot)  
If it's about that bullshit  
(Make it stop)  
If you got that paper we can roll  
No time for hataz , gotta go

I flew to L.A. just last week  
Jumped in the limo, checked in the suite  
Made a few calls, it's time to go  
Bust a few rhymes at the studio  
You know I don't do it for the love of it  
I love it but I do it for the love I get  
Big checks, you think the sex is next  
When I left the studio  
I had to go do a show for the ten with the triple zeros  
That's why I never flipped with kilos  
Flew up to the bay, then back to Georgia  
Had to catch a flight to Tallahassee, Florida  
I did a show at the Kapa luau  
Short dog what'cha about to do now?  
I'm getting money, caught a flight to New York  
Just another day in the life of Too Short

It's about that paper  
(Make it hot)  
If it's about that bullshit  
(Make it stop)  
If you got that paper we can roll  
No time for hataz , gotta go  
It's about that money  
(Make it hot)  
Got to keep it coming  
(Make it stop)  
Niggaz hate us all day long  
(We can roll)  
Cause we get our paper all night long  
(Gotta go)

Everything I do is a world premiere  
I know you're not trying to front girl come here  
I get up early in the morning work late at night  
So when you talk about me you say it right  
I get my pimp on whenever I get on  
Pop, Rock, Rap, R&B it's a hit song  
I keep it moving no matter what your age  
Bitches screaming out "Puff Daddy's on stage"  
Breaking necks, cashing checks  
When I'm not making money I'm having sex  
International, superstar  
People wanna know just who you are

I'm that laid jet rider  
Mansion residing  
If I throw a party you'll be dancing all night and  
Let's have some fun girl, it's ok  
I work hard now it's time to play  
Come on

Repeat 1

I did a lot of work for the homies for the low-low  
But I doing that kind of shit no more  
Ask Puff, fuck all that retirement stuff  
I work to hard so the price went up  
I'm charging fifty for sixteen bars now  
If you want a whole song it's a hundred thou  
Is it worth it? I ain't no crook  
A hundred thousand dollars might get you a hook  
>From this nigga right here, I know you know  
And you gotta pay extra for the video  
So cut the check for the right amount  
If not, you can wire it to my account  
The only other way is to pay me cash  
And ain't nothing wrong with that  
In fact give me the scratch in big stacks  
Cause you're fucking with a real mack bitch get back  
Back, bitch get back, back  
Said bitch, said bitch said get your motherfuckin' ass back  
That's right

Repeat 1
