Oakland (Oh-oh-oh-Oakland)  
Oaktown (Oh-oh-oh-Oaktown)  
Oakland (Oakland, Oakland)  
Get on down (Oh-oh-Oaktown)

Straight from the West, Oakland is the best  
Baby it's so fresh (Oakland)  
It's called the Big Bad O, city of players on the go  
You gotta have Trues and Vogues (Oakland)

Baby, that's my town, when all the tops come down  
You'll hear my funky sound (Oh-oh-oh-Oaktown)  
O-A-K-L-A-N-D, that city was made for me  
Just rocking to the beat (Oakland)  
Drop tops rolling down the strip, baby it's the tip  
Don't stop dipping til I quit (Oaktown)  
Trues and Vogues on my car, baby I'm a star  
I'm playing at Player's Park (Oakland)  
Everybody on the floor, do you really want some more?  
We'll get funky like Playboy \$hort (Oh-oh-oh-Oaktown)
