

## She Loves Her

Too Short

Are you in heaven, or is it real life  
Cause ain't nobody ever made you feel like  
You can't get enough it, you keep wantin more  
Ever since you was young, you felt the need to explore  
Baby girl youse a natural, you can't hide it  
The way you put that strap on, and let her ride it  
Gave her multiple orgasms, witcha vibrator  
All five flavors tasted like Life Savors  
I know you love her, everything about her  
Laid in the bed, you sprinkled baby powder, on the sheets  
Smilin, kissin down her spine  
Climbed over, and then y'all did the 69  
Cause her touch, is nothin like your man's  
Soft as a baby when her butt is in yo' hands  
And she does, so many different things  
Make yo' body start shakin almost instantly

She loves her  
She's lovin her  
I know you love her  
She's lovin it

Sunshine in your life, hope it lasts forever  
No bad weather, got her ass on the dresser  
Lookin so good, she got you so wet  
You might be switchin up the good but you don't know yet  
It's a brand new experience, you knew the day would come  
Find you a girl, and get you some  
If it's her first time, I bet you can't tell  
Cause she got down on her knees and licked that thang well  
And when you taste her, you can't replace her  
Smooth like Remi X-O with no chaser  
You look in the mirror, and see your own reflection  
Face in her thighs, with no long erection

She loves her  
She's lovin her  
I know you love her  
She's lovin it

I saw it in her eyes, I could tell the way she smiled  
She's thought about these things, it's been a long while  
She wants to play witchu, if you can be alone  
She turned the radio on to play her favorite song  
She didn't take ex pills, smoke weed or drink  
Just take your clothes off, and let her kiss that thing  
Don't be scared, I see you gettin down like that  
On your stomach while you run your tongue around that cat  
Y'all can be the Mary Jane Girls, "All Night Long"  
Play the radio with nuttin but the hall light on  
It don't stop, juices flowin like a stream  
With no man in between, feels like a dream

She loves her  
She's lovin her  
I know you love her  
She's lovin it
