

Nothing On My Mind

Too Much Joy

It's not important
This stuff that I'm afraid of
I've got a bugle someplace
Let's get a parade up

We're near the water
I know a guy, a guy with a boat
It doesn't have any motor
We could just sit, sit and float

I'll give you a coloring book
You can draw outside the lines
I, I, I've got nothing on my
Nothing on my mind
I've got nothing on my mind

My cousin died at a WHO concert
He was camping out in line
Me and him went camping, once
I've got nothing on my mind

That's my favorite song
Baby, do you wanna dance?
If you're happy and you know it
You've got to clap, clap your hands
If you're happy and you know it
You've got to clap, clap your hands

I'll give you a coloring book
You can draw outside the lines
I, I, I've got nothing on my
Nothing on my mind
I've got nothing on my
I've got nothing on my
I've got nothing on my mind

I was in a movie one time
I didn't have any lines
Just smiled at the leading lady
Got cut but at least they paid me

I've got nothing to say
I hope you have a nice day
I'm out of control
Je t'aime rock 'n' roll

I, I, I've got nothing on my mind
I've got nothing to say
Hey, hey
Got nothing on my mind
